George D. McCarley
Plaintiff

v.

HSBC

2006 MAR 10 A 10:24

CLERK OF COURT
Case No. 3:06-cv-0091-MEF

Motion to Change Name of Lead Case
McCarley v. HSBC

Comes now George D. McCarley and presents the following motion for consideration of the Court.

1. The Court has established KPMG as the lead case in this series of 15 named cases.
2. McCarley notifies the Court that KPMG is merely charged as the auditor responsible in part for some of the illegal actions against McCarley and that the Banking company known as HSBC is the Parent Company ultimately responsible for the illegal foreclosure and other actions executed against George D. McCarley. Therefore;
3. McCarley recommends the Court restyle the lead case in this series of 15 cases to reflect the true status of HSBC – thus, McCarley v HSBC
4. While KPMG holds heavy responsibility for failing to identify improper and illegal procedures exercised against McCarley, we believe a mistaken impression could be released by the Court if the entire series of cases is styled as if KPMG were the ultimate defendant. Further, and in consideration of the fact KPMG is not a foreclosure house whereas HSBC earns most handsome profits from foreclosure, HSBC is more properly named as the lead defendant of the lead case in this series of 15 cases.

I affirm that the foregoing is a true and complete statement of fact.
